

## Setting up Application Environment

### Create IBM Cloud Account

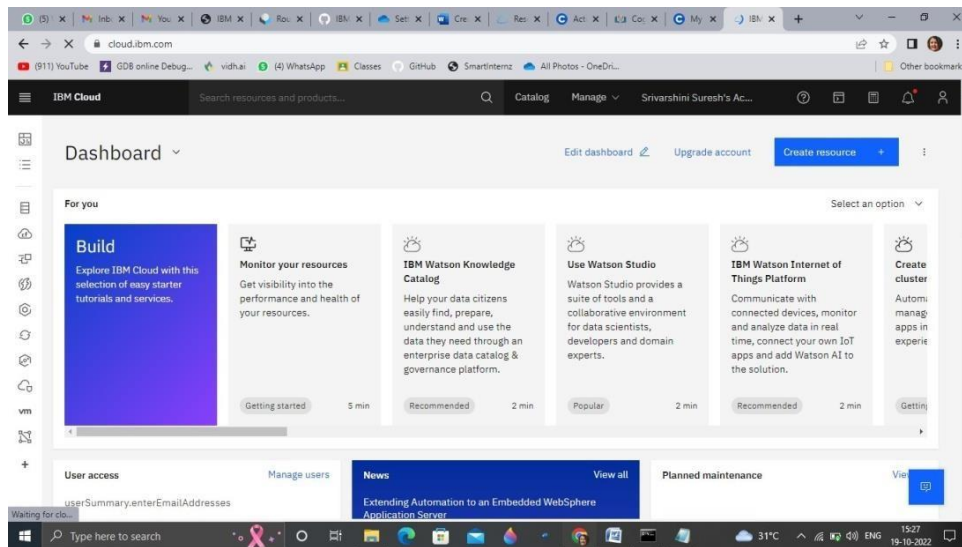

**Step 1.** Navigate to [ibm.com/academic](https://ibm.com/academic) and register with your smartinternz mail

The first screenshot shows the IBM SkillsBuild Software Downloads registration page. It includes a sidebar with the IBM logo and a description of the platform. The main content area is titled '1. Account information' and contains a form with the following fields: Email (913119104106@smartinternz.com), First name (Sivashini), Last name (Suresh), Password (masked), and Country or region of residence (India). A 'Verify email' button is visible. The second screenshot shows the '3. Verify email' step. It displays the email address 913119104106@smartinternz.com and a 7-digit verification code (4703028) in a text box. A 'Resend code' link is also present. Both screenshots show a Windows taskbar at the bottom with various application icons and a system clock.

**Step 2:** Now goto [cloud.ibm.com](https://cloud.ibm.com) and login with your registered mail id along with coupon code obtained from [ibm.com/academic](https://ibm.com/academic)

The screenshot shows the IBM Cloud login page. The header includes the IBM Cloud logo and navigation links for 'Catalog', 'Cost estimator', and 'Docs'. The main content area is titled 'Log in to IBM Cloud' and includes a 'Sign in with' dropdown menu set to 'IBMId'. Below this is a text input field containing 'username@example.com' and a blue 'Continue' button. There are also links for 'Forgot ID?' and a 'Remember ID' checkbox. The footer shows the copyright information: '© Copyright IBM Corp. 2014, 2022. All rights reserved.' and a Windows taskbar at the bottom.

## Output :

Cloud account created successfully.
